## OVO5\_Lifestyle

**P**er prima cosa osserviamo che il mondo è sferico, sia perché questa è la più perfetta fra tutte le forme, totalmente integra e non bisognosa di altre compagini; sia perché è fra tutte le figure quella più capiente e che meglio conviene a custodire tutte le altre; sia perché tutte le cose tendono a questa forma, come appare nelle gocce d'acqua e negli altri corpi liquidi quando sono lasciati a se stessi\_(*Copernico*) ● Firstly, we see that the world is a sphere, as it is the most perfect - entirely complete and not depending on something else - a roomy shape that best preserves all the others, and as all other shapes tend to this one: it is visible in water drops and in all other liquid bodies when dropped off\_(*Copernico*)
